

LifeTime[®] ALUMINUM PRODUCTS

PRODUCT WARRANTY

LifeTime SUNROOMS AND SOLARIUMS: provide a 10 year warranty on all of their painted extruded aluminum components against cracking, blistering, peeling, crazing, or loss of paint adhesion. Our insulated ponywall material comes with a 10 year warranty against the same conditions as mentioned above. Our sealed units, in any of our sunrooms or solariums, are protected by a 10 year warranty against the failure of the seal on the unit. (THIS DOES NOT INCLUDE GLASS IN ANY ROOF SECTION.)

LifeTime PATIO COVERS OR INSULATED ROOFS: provide a 20 year warranty against the above mentioned conditions on any of their painted materials, extrusions or rollformed, this includes Roll-Up Awnings.

LifeTime ACRYLIC OR GLASS SKYLIGHTS: sealed unit skylights have a 2 year warranty against failure of the seal. Acrylic skylights have no warranty as they are not a sealed unit.

LifeTime ROLL-UP AWNING SPRINGS: are warranted for 5 years against breakage or failure. This only applies to springs mounted in new awnings at AAA. Replacement springs have no warranty.

LifeTime ALUMINUM RAILING SYSTEMS: Provide a 20 year warranty against the above mentioned conditions on any of their painted materials or extrusions.

CONDITIONS

THESE conditions cover all of the **LifeTime** product warranties; they are based on supply of materials only to the Dealer's day to day offices.

NONE OF THE ABOVE include warranties or guarantees on the installation of the materials and are only warranted based on the installation being done correctly and to **LifeTime** specifications and engineering.

There are no arrangements in this agreement for products shipped to any jobsite for downtime, missing parts, damage in shipping, or any delays.

ALL PRODUCT REPLACEMENTS ARE FOB OUR PLANT.

Product warranties are only valid provided AAA Aluminum Products Ltd. has been paid in full for the product on that job and or the Dealer's account is in good standing.

Agreements or warranties are non-transferrable.

Freight Damage: Materials that arrive damaged must be brought to AAA attention within 24 hours of receipt of product if prepaid. Failure to do so could result in no claim. If freight collect, claim must be directed to shipping company.

All warranties are on a pro rata basis, which means all product is covered 100% the first year and divided equally over the course of the warranty to equal 100% depreciation.

e.g. 20 year warranty = 100% coverage the first year, 95% second year, 90% third, etc.

e.g. 10 year warranty = 100% coverage the first year, 90% second year, 80% third, etc.
